About Me

With 3 years in full-stack development, I specialize in AdonisJS for backend tasks, complemented by a sound understanding of frontend technologies, including Next.js. Proficient in tailwindCSS for styling and experienced in integrating UI components from Ant Design and Mantine, I bring a well-rounded skill set to full-stack development projects.

Experience

Software Developer Intern (WFH)

Sep 2020 - Dec 2020 (Cerenimbus inc.,)

Worked virtually with web developers and assisted them in group web development projects. Resolved minor bug fixes.

Software Developer

2021 - Present (Halcyon Agyle)

Collaborated with a team of talented programmers, contributing to the development and enhancement of innovative software solutions.

Education

University of Cebu Lapu-Lapu and Mandaue

Bachelor of Science in Information Technology

2016 - 2020
